REMARKS

Applicants request favorable reconsideration and allowance of the subject application in view of the preceding amendments and the following remarks.

Claims 1 through 34 are presented for consideration. Claims 1, 4, 7, 11, 14 and 18 are independent.

To place the subject application in better form, the specification has been amended to correct minor informalities, including those noted by the Examiner. No new matter has been added by these changes.

Applicants note with appreciation that Claims 1 through 34 have been allowed and that the subject application is in condition for allowance except for the informalities in the specification noted by the Examiner. As discussed above, these

informalities have been corrected. Therefore, Applicants submit that the instant application is in condition for allowance.

Applicants request the Examiner to contact their undersigned representative should any matters be deemed outstanding, precluding allowance of the subject application.

Favorable consideration and an early Notice of Allowance are requested.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should be directed to our address listed below.

Respectfully submitted,
